Mapping Your Future Financial Solutions provides a cost effective platform for helping your customers manage whatever personal financial opportunities and challenges may lie ahead.

Mapping Your Future Financial Solutions is an easy-to-use program, which includes dedicated customer support and comprehensive financial resources.

Our resources can be tailored to complement and supplement your existing customer services and satisfy the Community Reinvestment Act requirements of your bank. Mapping Your Future will deliver the financial solutions and guidance your customers need, when they need it, and how they want it.

Comprehensive financial counseling has been shown to help consumers:*

- **Reduce debt**
- **Reduce missed payments**
- **Improve their credit profile**
- **Manage money with increased confidence**

Mapping Your Future Financial Solutions includes:

Unparalleled Experience

Mapping Your Future Financial Solutions, powered by Money Management International (MMI), is backed by nearly 60 years of experience in the financial education field.

One-on-One Counseling

Personal and confidential counseling sessions are available in English and Spanish, 24 hours a day, 7 days a week.

Comprehensive Counseling Expertise

Our broad range of counseling services goes beyond debt and budget counseling, and includes housing and student loan counseling, credit report and score reviews, and more.

Engaging Communications

Customers receive important tips, reminders, and other valuable content in a mobile-friendly newsletter. Your customers can also access hundreds of articles in the online library.

Partnership Support

A dedicated program coordinator, along with an implementation and support team, will help ensure that your bank maximizes customer engagement and success.

Money-Saving Debt Management Plans

When appropriate, counselors may recommend a Debt Management Plan (DMP). MMI credit counselors work with creditors on behalf of your customers to lower interest rates, reduce monthly payments, waive late fees, and consolidate debts into one convenient payment.

Personalized Content and Interactive Tools

Customers have access to a mobile-friendly website, branded with your bank logo and filled with engaging, comprehensive educational content.

Your bank can customize content to meet the specific financial education needs of your customers.

Skilled Educators and Trainers

Educational seminars and webinars can be provided directly to your customers, while train-the-trainer courses and professionally produced resources complement and reinforce your existing financial education efforts.

Measurable Results

Mapping Your Future Financial Solutions produces comprehensive usage reports, measuring customer engagement in both online and one-on-one counseling resources.
